

The PDF for each session contains a Listening Sheet that should be filled out as husband and wife listen to the session. After listening to the session together, the husband and wife should then separately write out the answers to the discussion questions, and then discuss their answers with each other. If you are single, you can write the answers out and then discuss them with your pastor. After each session ask yourself these two important questions. How can I implement these things in my life? What one thing can I do THIS WEEK to achieve this goal?

**Listening Sheet—Part Four—Consequences of Sin  
Genesis 3:4-13**

There are three consequences we all face that come from sin: \_\_\_\_\_,  
\_\_\_\_\_, and shifting of \_\_\_\_\_.

Adam and Eve thought that God was keeping something \_\_\_\_\_ from them.

Imaginations come when we formulate our own \_\_\_\_\_ of what others are thinking.

If you let your imaginations control your life, you will be afraid to share the \_\_\_\_\_  
with your spouse.

Because of our wrong imaginations, we begin \_\_\_\_\_. We hide from \_\_\_\_\_,  
we hide from \_\_\_\_\_, and we hide from our \_\_\_\_\_.

Most people look for someone else to \_\_\_\_\_. They don't want to face the  
\_\_\_\_\_ of their wrong.

The only way to experience life and love is in a close \_\_\_\_\_ with God.

This world offers \_\_\_\_\_ and \_\_\_\_\_, but it is not life.

If you are not rightly related to your \_\_\_\_\_, you are not rightly related to \_\_\_\_\_.

Your relationship with your spouse can \_\_\_\_\_ or \_\_\_\_\_ your relationship with  
God.

You will never hurt your marriage by \_\_\_\_\_ your relationship with God.

Eve pulled Adam into her sin, thus ousting \_\_\_\_\_ from their relationship.

Your relationship with your spouse will be affected by the \_\_\_\_\_ of the  
fall.

Your relationship with \_\_\_\_\_ can draw you closer in relationship with your \_\_\_\_\_.

If both \_\_\_\_\_ and \_\_\_\_\_ draw near to God, they can't help but grow closer together.

### Questions—Part Four—Consequences of Sin

1. How have you seen imaginations at work in your marriage relationship?
2. What are some things you are tempted to hide from your spouse?
3. Which do you find easier to do—admit to your sin and take responsibility, or look for someone else to blame? How do you usually handle the consequences of your sin? What are you teaching your children by this action?
4. As you consider your marriage relationship, is it built on lust or love? Is the purpose of your marriage to glorify God, or to please you and your spouse?
5. How does your relationship with God affect your relationship with your spouse? How does your relationship with your spouse affect your relationship with God?
6. What one thing can you do each day this week to affect both your relationship with God and your relationship with your spouse?
